Subject: RE: summons for the Quincy District Court on April 25th for [REDACTED]

This isn't a typical drug case. I have [REDACTED] on tape from the dedham house of correction berating his mentally challenged girlfriend over the phone to shove 3 bags of heroin, a needle and a loose pack of cigarettes into an envelope. The girlfriend then goes to the quincy district court and hands the package to [REDACTED] lawyer and says it a letter from her. Of course the lawyer can feel the syringe and gives it to a court officer who hands it over to the police. Now the girlfriend is going to jail too for this ill conceived plan. [REDACTED] and his family have a long history with the Quincy District Court.

Hi Annie,
It has been awhile. They stopped giving me drug cases. I'm over in sexual assault and the gang unit now but [REDACTED] holds a special place in my heart. The case will get continued long after Sept. so that shouldn't be a problem. Thanks,
Jason

Hi guys,

You can cancel your summons for this defendant, lab # [REDACTED] for next week. I am going to try to indict him instead of move forward in Quincy.

Thank you,

ADA Mohan
